

## First Clue

There's a special place that you must go to.  
To discover a cauldron of witch's brew.  
Dunk one team member's face to find  
the apple of your team's design.

## Second Clue

For your next task you must retrieve  
a set of tootsies among the leaves.  
Look up, look down and you may see  
a pair of feet in a great big tree.

## Third Clue

Now you must look for lips that are talking.  
They're not too far so get started walking.  
Look for the head that won't stop speaking.  
And take your pair before you start shrieking.

## Fourth Clue

Your next goal is to find a mask.  
This will not be an easy task.  
Look for a place that will really scare.  
Start digging where souls "Rest In Peace",  
if you dare
